SECTION 1 MISCELLANEOUS RULES AND CHARGES	SECTION 1 MISCELLANEOUS RULES AND CHARGES
ITEM 110 CARS INTERCHANGED IN ERROR A charge of \$500.00 per car will be assessed delivering carriers on all cars interchanged to the RCRY in error.	ITEM 145 [A] CARS HELD AWAITING BILLING OR FORWARDING INSTRUCTIONS A. It is RCRY's policy NOT to move cars without complete billing from the customer or shipper; however, when exceptions are made, and when on shipper's request a car is moved from industry or storage tracks and held on Railroad's tracks awaiting forwarding instructions, the party responsible for furnishing such forwarding instructions will be subject to a "Car Held for Billing" charge of \$150.00. B. The car will remain on continuous demurrage or storage in the account of the party in whose name the car was ordered until forwarding instructions are received. C. When a car is removed from industry or storage tracks on shipper's order and held awaiting billing instructions on railroads' tracks, and such car is ordered back to the original industry or team track, an intra-terminal switching charge (See Item 330) will be assessed for the movement of the car in each direction and the car will remain on continuous demurrage.
ITEM 120 EMPTY CARS ORDERED BUT NOT LOADED On empty cars that are ordered for loading and order is canceled and car is in route, or the service of switching or placing of car has been performed and the car is not loaded but returned to this railroad empty, a charge of \$500.00 per car will be assessed and collected from the person, firm or corporation ordering such cars. (See Note, this item.) Note - Charge will not apply on cars unfit for loading, see Item 125, this tariff.)	ITEM 150 OVERLOADED CARS Cars found to be overloaded will be subject to the following additional charges, plus Special Freight Train charge: (1) \$500 per car - When a car is discovered to be overloaded at loading point or within the confines of the industry. Charge to be assessed consignor. (2) \$500.00 per car - When a car is discovered to be overloaded beyond loading point or confines of the industry. Charge to be assessed consignor. (It will be the responsibility of the consignor to adjust the lading at their own expense sufficient to eliminate the overload condition.) (3) \$500.00 per car - When a car is received in interchange from connections and is found to be overloaded, such car will be returned to delivering carrier for adjustment to lading to eliminate the overload condition. Charge to be assessed delivering carrier.
ITEM 125 IMPROPER CARS FURNISHED FOR LOADING BY CONNECTING LINES When cars ordered by industries for loading are refused on account of not being in proper condition to load, a charge of \$500.00 per car will be assessed against the railroad furnishing the car.	For explanation of terms and explanation of abbreviations and reference marks, see last page of tariff.
ITEM 130 LOADED CARS REFUSED Consignee will be assessed a charge of \$500.00 per car on cars refused or rejected. The charge will be in addition to any and all other applicable charges associated with the handling of the car.	
ITEM 140 [C] "OVER-DIMENSION" SHIPMENTS Any shipment with one or more of the following characteristics may be considered "Over-Dimension": (1) Width exceeding 10 feet 8 inches. (2) Height exceeding 15 feet 10 inches (above top of rail). (3) Net weight exceeding 220,000 lbs. (or any shipment requiring non-articulated cars with more than four axles). (4) Overhangs the end(s) of a car or is bolstered on two or more cars. (5) Uses a car with truck centers of less than 28 feet or greater than 66 feet. (6) Locomotives, cranes, work equipment, passenger cars, track inspection cars, or similar types of rolling stock moving on their own wheels. (7) Must move in "Special Train Service" (See Item 160 of this tariff) due to its physical characteristics.

SECTION 1 MISCELLANEOUS RULES AND CHARGES	SECTION 2 CAR DEMURRAGE AND STORAGE RULES AND CHARGES
ITEM 160 SPECIAL FREIGHT TRAIN SERVICE (Applies only during normal hours of operation - Monday through Friday, 6 am to 6 pm) Special Freight Train Service is the movement of a train in other than normal freight train service at the specific request of the shipper or consignee, or as may be required due to other conditions outside normal train operations. The charge for special freight train service will be \$4,000 per occurrence, and will be in addition to all other charges associated with the movement. All request for Special Freight Train Service must be approved by RCRY General Manager prior to move. The RCRY reserves the right to restrict or modify any request for special freight train service.	APPLICATION Except where provided to the contrary, Demurrage Rules and Charges contained herein apply to all railroad and privately-owned cars held for or by consignors and consignees for any purpose. ITEM 200 [A] DEMURRAGE LIABILITY Any person or entity receiving rail cars from this railroad for loading or unloading who detains the cars beyond the period of free time set forth herein will be held liable for any applicable demurrage if this railroad has provided that person or entity with actual notice of the demurrage rules and charges contained herein providing for such liability prior to the placement of rail cars. The notice shall be in written or electronic form.
ITEM 170 IDLER CAR When shipments require idler cars, a charge of \$300.00 will be assessed for each idler car.	ITEM 210 HOLIDAYS Wherever reference is made to "holidays," it shall mean only the days listed below: New Year's Day (and New Year's Eve day) President's Day Good Friday Memorial Day Independence Day Labor Day Thanksgiving Day (and Friday immediately following) Christmas Day (and Christmas Eve day) ITEM 220 ACTUAL PLACEMENT Actual Placement is made when a car is placed in an accessible position for loading or unloading or at a point previously designated by the consignor or consignee.
For explanation of terms and explanation of abbreviations and reference marks, see last page of tariff.	

SECTION 2 CAR DEMURRAGE AND STORAGE RULES AND CHARGES	SECTION 2 CAR DEMURRAGE AND STORAGE RULES AND CHARGES
ITEM 230 CONSTRUCTIVE PLACEMENT When a car consigned or ordered to a private track, industrial interchange track or other-than-public-delivery track cannot be actually placed because of a condition attributable to the consignor or consignee, such car will be held at available hold point and notice shall be sent or given the consignor or consignee that the car is being held and that this railroad is unable to effect placement; however, if car is placed on private track, industrial interchange track or other-than-public delivery track serving the consignor or consignee, the car will be considered constructively placed without notice.	ITEM 255 [C] STORAGE OF PRIVATE CARS For storage availability and charges, please contact Eyal Shapira (President) at eyalshapira@aol.com.
ITEM 240 [C] FREE TIME Free time as follows will be allowed for each car: Seventy-Two (72) hours to complete unloading. Seventy-Two (72) hours to complete loading. Free time will be computed from the first 7:00 AM after placement, or after notification has been sent or given where required. <u>Weekends and holidays will be treated as any other day for the purposes of calculating and applying demurrage charges.</u>	ITEM 270 MOVING CARS TO AND FROM STORAGE TRACKS The RCRY will assess a charge of \$350.00 per car for moving cars to storage tracks, and \$350.00 per car for removing cars from storage tracks. (Charge to be assessed party for whom cars are stored.)
ITEM 250 [C] DEMURRAGE CHARGES After expiration of free time allowed a charge of \$65.00 per car per day, or fraction of a day, will be made until car is released. <u>The applicable charge will accrue on all days, including Saturdays, Sundays and holidays, immediately following the day on which the first chargeable day begins to run.</u> Note 1: Not applicable on privately-owned cars on private tracks. Note 2: Privately-owned cars which are first held on railroad tracks under constructive placement will be subject to demurrage charges provided for herein after expiration of free time (See Item 230) until such time car is placed on private tracks.	
For explanation of terms and explanation of abbreviations and reference marks, see last page of tariff.
